Let me ask around and see who the best contact would be for that. I'll try to get you something in the next day or two.

Hey, EPA's diversity and inclusion team would love to meet with Xcel Energy's diversity and inclusion team. Could you get me a contact for the Xcel folks they could talk to? Our folks are really impressed with what they have heard about Xcel's program and want to learn more.

Thanks Jared, I hope you're well.

Doug
